Short Prayer to Dorje Shugden

A Daily Request for Wealth, Peace and Protection

This daily prayer to Dorje Shugden was composed by H.E. the 25th Tsem Rinpoche on Thursday, 26 February 2015 at 2:03am. Anyone may engage in this prayer without specific permission, regardless of faith and in combination with any other practice. Dorje Shugden helps all beings without labels of religion, race, creed or background.

In the heavens there are myriad manifestations of the divine. All those manifestations specifically show us different aspects of divinity in order to be of benefit to all living beings. All the rupakaya forms of the divine have compassion, skillful means and wisdom. We invoke upon them whether we are happy, sad, down, lost, fulfilled, confused, empty, and during the whole range of emotions we constantly experience due to an untrained mind.

Understanding our nature, Great Wisdom Being Dorje Shugden, therefore all the more so, please hold us close to your bosom as an only child to a parent.

Though the manifestations of the divine need no offerings and gifts from us, we offer you supreme Manjushri Dorje Shugden a libation of tea, incense and mantras, in order to ask you to bless us, to be a part of our lives, to abide in our dwellings and to give us signs, omens and portents of both good and bad. When the negative arises, quell them immediately. Please increase the positive for my weary and worn mind as I lay my hopes in you.

When difficulties, problems and confusion arise, we ask you, who is but the culmination of all that is powerful, holy and omniscient to bless myself, family, loved ones, environment and even my pets. May I see wisdom, find hope, and be at peace.

I request you, O Divine Protector Dorje Shugden, who wears a round dome hat and the three robes of a saffroned bhikshu, who wields a sword of liberty, justice and wisdom and clutches a wish-fulfilling jewel, who rides on a supreme lion of subjugation of all that is negative, to fulfill my wishes. I understand my wishes may not be the best, so I surrender to your wisdom for the outcome though it may not be what I have in mind. Please bless myself and everyone that we may enter into the supreme city of liberation.

Great Protector Dorje Shugden, I request you sincerely from my heart to be a part of my life, bless my home, and grant me wisdom, solace and comfort, that I might be of service to others without agenda, and that I may focus out onto others and not be fixated on myself, creating more problems for all that I hold dear.

Bless me to become kinder, wiser, more compassionate, tolerant and very forgiving to all those who hurt and love me. In order to become close to you, Dorje Shugden, we must surrender the banal. We must abandon fixed views, projections and rigidity.

Lastly, in my final moment when I leave this plane of existence, only the positive actions I have done will matter as everything and everyone will be left behind. Let me realise this and act upon this now! At this crucial moment, please may I have a vision of yourself, the powerful and merciful Dorje Shugden, to take me to where I may course in the sky to continue my journey of spiritual waxing.

I offer you saffron-coloured tea and my faith to fulfill my prayers and gain siddhis. By reciting your mantra, may healing, peace, love, long life, protection and perfect view of sunyata arise.
